CAREER OBJECTIVE

Aspiring data analyst with a strong foundation in Mathematics, actively building technical competency in SQL, Power BI, Excel and data storytelling through CFI, Codebasics and Yayasan Peneraju certifications. Seeking a data analyst internship to apply analytical skills within a data driven organisation and deliver meaningful insights from real world data.

EDUCATION

Bachelor of Science in Management Mathematics (Honours) Mar 2024 – Jul 2026

Universiti Teknologi MARA (UiTM) Kampus Seremban, Negeri Sembilan

- **CGPA: 3.93** | Dean's List Award | Maybank Group Scholarship Programme 2025

Diploma in Mathematical Sciences Oct 2021 – Feb 2024

Universiti Teknologi MARA (UiTM) Kampus Segamat, Johor

- **CGPA: 3.85** | Vice Chancellor's Award (ANC) - Dean's List every semester

Malaysian Certificate of Education (SPM) Jan 2019 – Mar 2021

SMKA Putrajaya, Wilayah Persekutuan Putrajaya

- **Results: 10As 1B** | Scholarship: Yayasan Sabah 2019

SKILLS

BI & Visualisation: Microsoft Power BI (Dashboard Development), Tableau, Microsoft Excel, Google Sheets

Data & Query: SQL (MySQL), Power Query M (Data Cleaning), Power Pivot, DAX, Microsoft Fabric, ETL, EDA

Programming: Python (Pandas, Matplotlib, Seaborn), RStudio, C++, VBA

Design & Reporting: Canva, Adobe Photoshop, Adobe Illustrator, CapCut, Microsoft PowerPoint, Overleaf LaTeX

AI & Machine Learning: n8n, Microsoft Azure, AWS, Claude & OpenAI API, NLP, Notebook LLM, Scikit-learn

Languages: Bahasa Malaysia (Native), English (Intermediate), Arabic (Intermediate), Mandarin (Elementary)

WORK EXPERIENCE

Internship Mar 2026 – Jul 2026

Maybank Group Finance (Accounting)

- Extracted and analysed daily inflight General Ledger data using SQL queries in Oracle (AETO), investigating account numbers and transaction codes across 20+ suspense and settlement accounts to support period-end close reporting.
- Cleaned and restructured accounting entries using Power Query, standardising data formats to support downstream reporting accuracy.
- Built a VBA automation script to unpivot columns for the aging bucket monthly report, eliminating manual restructuring steps and reducing preparation time by 80%.
- Conducted pivot table analysis and statistical summarisation of MAE Tabung inflight 2025 data, producing structured summaries to identify transaction patterns and recurring causes.

Teaching Assistant Mar 2024 – Jul 2025

Kumon Learning Centre | UiTM Seremban (Mentor-Mentee Programme)

- Assessed and marked homework for 20+ students, guiding each through Kumon's structured work solution to reinforce mathematics comprehension.
- Mentored 10+ students across mathematics subjects, majority achieving passing grades & several attaining A- results.

Event & Marketing Crew Aug 2025 – Sep 2025

Maggie | Glade | Dutch Lady | Zespri | Astro | Guardian Expo | Caltex | Food & Hospitality Exhibition

- Represented 5+ brands at national exhibitions and booth activations that directly engaged 100+ consumers per event.

Service & Support Crew May 2021 – Sep 2024

Le Meridien Hotel | Ministry of Communication Catering | Saudi National Day 95 | Menteri Besar Selangor Event

- Coordinated hospitality operations across 4 high profile government and corporate events, supporting 500+ guests per event while maintaining service standards across concurrent multi-venue operations.

PROJECTS DEVELOPED

Final Year Project, Ranking the Socioeconomic Well-Being of Malaysian States using Multi-Criteria Decision Making

- Developed a MCDM model in Excel (TOPSIS, COBRA, AURA) across 14 Malaysian states & 12 socioeconomic indicators, involving statistical analysis of national datasets, Sarawak ranked 1st economically & Kelantan 1st socially in 2023.

Data Visualization & Storytelling Competition, Data Visualization (DSC651)

- Cleaned a heavily incomplete Kaggle hotel dataset and built a Power BI sales analytics dashboard, uncovering a surprising occupancy-sales relationship, submitted to UMN international competition 2025.

EcoWise: Web-based Intelligent Sustainability Evaluation using TOPSIS (WISE-T)

- Built a Python-based web tool applying TOPSIS to rank sustainability projects, developed to demonstrate FYP research currently under journal review (*Journal of Decisions and Operations Research*), presented at IIUD 2025.

EcoMode Apps, Technology Entrepreneurship (ENT600)

- Prototyped a gamified campus eco-mobility app using Rork and Stitch, rewarding students for green commuting behaviour, selected by lecturer for UiTM Innovation Idea Celebration.

Data Analytics Project

- Project portfolio available at [here](#).

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- Business Intelligence & Data Analyst (BIDA), Financial Planning & Analysis Professional (FPAP), Financial Modeling & Valuation Analyst (FMVA), FinTech Industry Professional (FTIP) *Corporate Finance Institute*
- Data Analyst Bootcamp 5.0 *Codebasics*
- Math & Statistics for Data Science *Codebasics*
- PeopleCert Data Science: Foundation & Data Analyst *Yayasan Peneraju (MASET)*
- Mandarin Language Course *Kunkwan Language Centre*
- AI-assisted Analytics & Prompt Engineering *Claude, ChatGPT, Gemini, Copilot*

ACHIEVEMENTS

- Silver Award: International Undergraduate Research, Innovation, Invention and Design 2025 **Jul 2025**
- First Runner-Up: UiTM Innovation Idea Celebration (ENT600) **Jul 2025**
- Participant: Data Visualization & Storytelling Competition, Universitas Multimedia Nusantara **Jun 2025**
- Vice Chancellor's Award (ANC) **May 2025**
- First Runner-Up: Program Pendigitalan Kampus Siri 2 by PayNet **Jan 2024**
- Gold Leadership Award: MPP UiTM Se-Malaysia 2022/2023 **Jan 2024**
- National Champion: Sudoku Competition & Bicara Berirama **2015–2018**
- First Runner-Up: National Robotic Competition (NRC), Gen ii Football Category **2013**

LEADERSHIP & CO-CURRICULAR ACTIVITIES

Program Director — MLBB UiTM CJ Clash of Campus (International) **Dec 2023**

Directed an international esports tournament of 640 participants across 60+ universities and 4 international institutions, recovering full event execution after a last minute sponsor withdrawal, awarded Gold Leadership Award (MPP).

Assistant Program Director — Cashless Campus Mania **Nov 2023**

Secured RM10,000 in programme funding through a pitch and executed 5 campus digitalisation activities, contributing to programme wide growth in cashless transactions, earning First Runner-Up at PayNet's Pendigitalan Kampus Siri 2.

Student Leader — Orientation Week Facilitator **Sep 2023**

Led the multimedia team for a 3,000+ student orientation, coordinating AV and PA systems across 5 simultaneous venues from the main hall command point.

Executive of Infostructure — Student Representative Council (MPP) **2022 – 2023**

Produced social media content, video and design assets for the student council while establishing multimedia SOPs adopted across all affiliated campus clubs.

Student Liaison — Persatuan Silat Seni Gayong Malaysia (PSSGM) **2021 – 2022**

Served as the inter-campus liaison between two UiTM Johor Silat campuses while also being an active athlete, awarded Pesilat Harapan at PSSGM UiTM Johor Award Ceremony.
